The Honorable Marvin L. Abney
Chairman, House Finance Committee
Room 35, State House
Providence, RI 02903

Dear Chairman Abney:

I have been doing business with Twin River Casino for 25 years. I have seen the highs and the lows, and it is for that reason that I implore you to support Twin River/IGT's legislation in order to maximize economic development for the State of Rhode Island.

I am the proud owner of nine Dunkin' Donuts venues in Rhode Island, three of which are located at Twin River in Lincoln and one at the Tiverton Casino Hotel. It's both a privilege and a pleasure to work day in and day out with the Twin River management team who always go above and beyond to be responsive to its customers. We like to do the same, so we can appreciate their frustration in being unable to do much about under-performing machines on the casino floor. We think the State has an obligation to ensure we are maximizing revenues at these two important venues in Rhode Island and hope you agree. Thank you for your consideration.

Sincerely,

Guido Petrosinelli

Dunkin' Donuts Franchisee
